Dear Marine Corps Family Housing Tenant,

The United States Marine Corps is committed to providing all Service Members and their families with safe, quality and affordable housing, which is why we are asking for your support in evaluating the housing conditions, property management, and customer service provided to you by our Military Housing Offices.

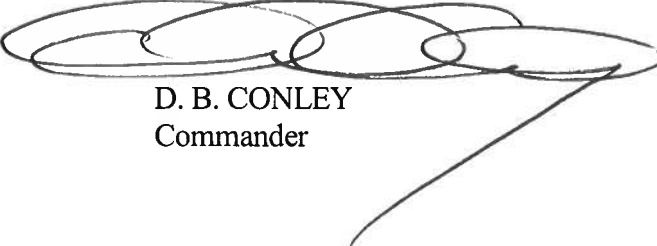

Help us help you by identifying ways that we can work to improve the effectiveness of our housing management services and the quality of our housing facilities. Make your voices heard! Starting 18 January 2022, please take the short 10-minute housing survey that seeks your opinion of your housing community, your home, and the services you receive from your Military Housing Office. Look for a message from our contractor, Robert D. Niehaus, Inc., in your personal email or via text inviting you to take the survey using the unique access link that will be provided. Please contact your local MHO if you do not receive your invitation to take survey by 21 January 2022.

We thank you in advance for your participation in this surveying effort. We also want you to know the Tenant Satisfaction Survey will be administered by Robert D. Niehaus, Inc., which is an independent contractor, and all responses will be kept strictly confidential.

If you have any questions regarding the upcoming survey, please contact Robert D. Niehaus, Inc. at 1-800-350-4888 or email [Survey@RDNiehaus.com](mailto:Survey@RDNiehaus.com), or speak with your local housing representative.

Thank you in advance for your participation in the survey. We look forward to hearing your voice!

Semper Fi,

D. B. CONLEY  
Commander
