Dear Marine Corps Unaccompanied Housing Tenant,

The United States Marine Corps is committed to providing all Service Members with safe, quality housing; which is why we are asking for your support in evaluating the housing conditions, property management, and customer service provided to you by our Unaccompanied/Bachelor Housing Offices.

Help us help you by identifying ways that we can work to improve the effectiveness of our housing management services and the quality of our housing facilities. Make your voices heard! Starting 18 January 2022 please take the short 10- minute housing survey that seeks your opinion of your housing community, your barracks, and the services you receive from your Unaccompanied/Bachelor Housing Office. Look for the QR Code on the Tenant Satisfaction posters and fliers located within your housing area. Please contact your local Unaccompanied/Bachelor Housing Office, if you have any issues accessing the Tenant Satisfaction Survey.

We thank you in advance for your participation in this surveying effort. We also want you to know the Tenant Satisfaction Survey will be administered by an independent contractor, Robert D. Niehaus, Inc., and all responses will be kept strictly confidential.

If you have any questions regarding the upcoming survey, please contact Robert D. Niehaus, Inc. at 1-800-350-4888 or email Survey@RDNiehaus.com, or speak with your local housing representative.

Thank you in advance for your participation in the survey. We look forward to hearing your voice!
