Dear Marine Corps Housing Resident,

The United States Marine Corps is committed to providing Service members and their families safe, quality and affordable housing. That is why we are asking for your support in evaluating housing conditions, property management and customer service provided to you by our Private Partner Venture (PPV) Housing Office.

Help us help you by identifying ways that we can work to improve the effectiveness of our housing management services and the quality of our housing facilities. Make your voices heard! The Tenant Satisfaction Survey period began on October 28, 2021 and will run through December 13, 2021. Please take a moment to take the short housing survey that seeks your opinion of your housing community, your home, and the services you receive from your housing office. By now, you should have received an invitation to take the survey from our contractor, Robert D. Niehaus to participate in the survey. The invitation was sent to your residential address or email address of record. Please contact your local Base or PPV housing office for information on other promotional events, drawings and/or prize offerings in support of this survey. We want to thank you in advance for your participation in this survey.

If you have any questions regarding the upcoming survey, please contact Robert D. Niehaus, Inc. at 1-800-350-4888 or email Survey@RDNiehaus.com, or speak with your local Base or PPV housing representative.

Thank you in advance for your participation in the survey; we want to hear your voice.
